Dear Frank R.

Mrs Shirley Smith has written to say how much she valued your involvement and help with her recent Winston Churchill Travelling Fellowship.

She very much enjoyed her time with you and learnt a great deal from the visit. The Council of the Trust has asked me to say how grateful they are to you for your support, and the significant contribution that you have made to the success of this Fellowship.

As Sir Winston Churchill's national memorial, our Trust carries forward his legacy by funding British Citizens from all ages and backgrounds, to travel overseas to bring back best practice, for the benefit of others in their professions and communities in the UK. These travels also help our Fellows meet people from different countries and cultures, enabling them to understand their issues and perspectives, and establish two way exchanges of knowledge and lasting friendships.

So thank you for your help in assisting Shirley and the Trust in achieving this.

Yours sincerely

Julia Weston  
Chief Executive
