It is my pleasure to write this letter in support of the Suicide Postvention Response Team, serving Cuyahoga County.

Pete Bliss, his organization, and the support they provide for loved ones of suicide victims have been a valuable resource for our agency. Providing resource materials at the time of notification greatly helps direct families to a large network of support.

Best regards,

A handwritten signature in blue ink, appearing to read "L. Przybyla", with the number "#50" written to its right. The signature is written over a horizontal line.
